Description

Description:	ISTRIA, RABAC - A piece of paradise by the sea On the southeastern coast of Istria, where green hills meet the sea, where nature and heritage come together, there are two small towns with different but mutually complementary characters - Labin and Rabac, just five kilometers apart. Rabac, due to its white pebble beaches, rich Mediterranean vegetation and crystal clear sea, has been called the

pearl of Kvarner. Once a small fishing village, today Rabac is an attractive tourist destination that hides a wealth of cultural events in a network of colorful streets. The green surroundings of Rabac and the picturesque hinterland invite you to adventure, research and recreation throughout the year. Not far from Rabac and Labin in a small settlement by the sea, a piece of paradise by the sea is for sale. This rarity on the market, unburdened from every busy effort, is only 30 meters from the sea and offers peace and tranquility, the silence of which is broken only by the sound of the waves. The maintained house in excellent functional condition consists of two floors; basement and ground floor. The ground floor consists of a living room and a dining room with access to a covered terrace, a kitchen, two bedrooms and a bathroom. The basement, renovated in 2020, consists of a storage room, a bathroom and a spacious area, the purpose of which, depending on one's own preferences, is left to the future owner. The yard is fenced and enriched with Mediterranean herbs and plants, and it also contains a water tank. This harmonious oasis close to the sea and beaches is an ideal opportunity for family life as well as an investment for the purpose of tourist rental. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 30643
