Description

Description: Lovrečica area/Istria In a quiet area in the vicinity of Lovrečica there is a spacious

> building plot. The land with its total area of 1439 m2 is located on the edge of a quiet settlement. The land is for construction and has a project for the construction

of two holiday homes. The project is in the process of obtaining a building permit with all costs paid. Near the land there is all the infrastructure of electricity, water, sewerage... The houses are designed as holiday homes, each with 3 bedrooms, a spacious living room, 3 bathrooms, 3 bedrooms and a garage. During the development of the project, the conditions for the construction of 5-star holiday homes were harmonized. The land is an ideal investment opportunity! The land is located only a 5-minute drive from the first beaches of beautiful Lovrečica and a 10-minute drive from the city of Umag, where there are all the necessary facilities for life, such as shops, restaurants, and promenades. Next to the land itself there is beautiful nature, bicycle paths. We recommend! ID CODE: 1026-62
