Description

Description:	<p>ISTRIA, BUJE - Building plot with permission for two villas with swimming pool, beautiful sea view The medieval town of Buje is located on the northwestern part of the Istrian peninsula, and is located on top of a hill with a wonderful view of the sea, hills, vineyards and olive groves for which this region is famous. Proximity to the sea, influence of the Mediterranean and mild continental climate, tradition in agricultural production, hunting and tourism, hilly landscape and preserved and unpolluted nature make the area of the town of Buje one of the more attractive areas of the Istrian peninsula. Not far from Buje and the Slovenian border, there is a building plot for sale with a building permit for the construction of two one-story houses with a swimming pool. The land has an area of 2,000 m², has a regular shape and is regularly maintained. The land offers a beautiful view of the sea on one side, and the town of Buje on the other. The land is in a slight decline (10%), it is on the cascades, so the view will never be obscured. Each ground floor will have its own privacy. Electricity and water are being brought to the field, but the future owner will bear the costs of paying for the connection. According to the project, each ground floor will have a net area of 199.41 m², or a gross area of 211.05 m². It will consist of a hallway, a kitchen, a spacious living room with a dining room, a</p>
