Description

Description: Pićan, spacious building land Building land for sale in the vicinity of Pićan, located in a quiet village surrounded by greenery. The total area of the land is 2182 m², and the terrain has a gentle slope, which makes it ideal for building a holiday

home, family home or villa. Also, due to the large area, there is the possibility of subdividing the land. This land offers peace and privacy, perfect for those looking for a natural environment away from the hustle and bustle of the city. All the necessary infrastructure (water, electricity, sewerage) is located in the immediate vicinity of the land, ensuring ease of connection and organized access. The location of the land offers numerous opportunities for construction, and it is popular due to the number of newly built properties in the area, which further confirms its investment potential. The land is located just a few minutes' drive from the historic town of Pićna, which offers all the necessary facilities. This unique opportunity allows you to build your dream home or make a valuable investment. For more information and to arrange a viewing, please contact us. Do not miss the opportunity to buy this attractive land that offers everything you need to realize your plans. Your ideal property is waiting for you! ID CODE: 2006-259
