Description

Description: For sale is an attractive complex of land in the vicinity of Marčana, with a total area of 1,967 m². Of the total area, 800 m² is construction land, while the rest is

agricultural land. The land is flat, which enables easy planning and construction. All the necessary infrastructure is located in the immediate vicinity, which facilitates the connection to communal services. Also, the access road to the land is secured, which further contributes to its attractiveness. This land represents an excellent opportunity for investment, whether you plan to build a family house, a cottage or start an agricultural project. The location in a quiet part of Marčana offers a perfect combination of nature and the availability of all necessary facilities. For any additional information and to arrange a viewing, please contact us. ID CODE: 2005-350
