### Description

Description: Poreč, surroundings, land with building permit and sea view In the suburbs of the city of Poreč, only 10 km away, this fantastic building land is for sale with an open

view of the sea already from the ground floor. The total land area is 958 m2 with paid utilities and infrastructure connections. The project is for a spacious villa with a total of three floors and 323.50 m2. The villa is spread over three floors. The basement is planned for a fitness room, a sauna, a technical room, a storage room and a separate garage for cars. A stone staircase leads to the first floor, where a spacious living room, dining room and open space kitchen, bedroom, bathroom and toilet are planned. From the living room, you would go directly to the covered terrace with a view of the sea. On the second floor, there are four additional bedrooms in the project, two of which would have their own bathrooms, and the other two would have one shared bathroom. On the roof there is a roof terrace covered with a pergola that offers an open panoramic view of the sea. A summer kitchen is planned in the yard. Restaurants, a school, a kindergarten, a post office, a shop, a church, and paths for a pleasant walk or bike ride in nature are not far from the village itself. The first beaches and tourist camps are located only 8 km away from the place. The new owner just continues with the construction of this imposing villa. This fantastic land with building permit is an ideal investment opportunity for future owners. ID CODE: 1031-946
