Description

Description: Building plot in the vicinity of Marčana with an unobstructed view of the sea.
Building plot with a total area of 1403 m² for sale in the beautiful surroundings of Marčana. This flat land is ideal for building your new home or investment project.

All the necessary infrastructure is located in the immediate vicinity, which allows you to build quickly and easily. The land comes with a building permit, which makes it easier to start construction. One of the main advantages of this location is the unobstructed view of the sea, which will delight you every day. This unique opportunity offers peace and privacy, while being close enough to all important amenities and roads. Do not miss the opportunity to buy this attractive land and realize your construction plans in a beautiful environment with a view of the Adriatic Sea.
