## Description

Description: Poreč, surroundings, modern new building with a swimming pool and a spacious garden Not far from the city of Poreč, in a well-known and desirable place on the west coast of Istria, surrounded by lush Mediterranean vegetation, the construction of this house of superior design, content and quality begins. The house with its 156.5 m2 net area is spread over two floors, ground floor and first floor. On the ground floor of the house there is an entrance hall that leads to a spacious living room with a dining room and kitchen, a storage room, a pantry and a toilet. An elegant staircase leads from the living room to the first floor where there are three bedrooms and three bathrooms, one of which is in the master bedroom. The master bedroom has access to a large terrace of 10.5 m2. All three bedrooms, with their concept and size, provide privacy and comfort. From the first floor of the house there is a beautiful view of the sea and the surrounding landscape. In particular, it should be noted that the house, with its carefully thought-out design and above-average ceiling height, opens up great possibilities for room decoration and suits all levels of comfortable living, making it an elite living space. From the living room there is access to a spacious garden of 300 m2 where there is a heated swimming pool and which provides enough space to create outdoor content according to the wishes of the future owner, surrounded by nature, peace and the chirping of birds. This modern house, executed in detail with high-quality materials, perfectly combines luxury, comfort, peace and connection with nature. All the necessary facilities for life are located in the village itself, while Poreč and the first beaches are only a 10-minute drive away. An opportunity designed to meet the needs of everyday life and weekend relaxation with family and friends has been successfully realized in this house of modern design. We are at your disposal for all the details! ID CODE: 1039-25
