Description

Description:	<p>ISTRIA, ŽMINJ - Building land on the edge of the village If all roads in Europe lead to Rome, then all roads in Istria lead to Žminj - the heart of Istria. Since ancient times, Žminj has been an important traffic hub that connected the entire Istrian peninsula. The place is ideal for enjoying nature, hiking or cycling, and on the way through Žminj and its surroundings you will come across many stone houses - kažen, each of which has its own story. Centuries-old Istrian stone houses have been converted into agritourisms, so you can taste local Istrian cuisine, and on the last Saturday in August, the traditional Bartulja feast is held, the biggest folk feast that Istrians and their guests never miss. At walking distance from the center of Žminj, there is a building plot for sale located on the edge of the construction zone. Several plots of minimum 1000 m² are available to the buyer, that is, the buyer can choose the desired square footage. Electricity and water are available on the plot. Access from the public area provided. Take advantage of the opportunity to build your future home almost in the very center of town. Opportunity! Dear clients, the agency commission is charged in accordance with the General Terms and Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 30638</p>
