### Description

Description: Our agency offers an old house (the last in the row) with a barn, a tavern, garages, a woodshed and two auxiliary buildings, with a total area of 184 m<sup>2</sup>, and a large construction plot of 1784 m<sup>2</sup>, which is located right next to the house. The house consists of a ground floor, a first floor and an attic, and there are a kitchen, a bathroom, a hallway, a staircase and two bedrooms. It was built around 1900, of stone and wood, and was inhabited until two years ago. It definitely needs a complete renovation. All of this is located in a small Istrian village in the municipality of Barban. Considering the location and the open view of Učka, the property is ideal if you want to live in a quiet part of the Istrian countryside, but also as a basis for investing in a good business in tourism. The property is neat and

unencumbered. For all other information, we are at your disposal. Call us.
