Description

Description: Krnica, Istria This house with a sea view is for sale as part of a new modern settlement in Krnica, a small town in Istria. The house will be at the top of the new settlement, the other houses are all modern and tidy, which ensures a pleasant environment. It takes a few minutes to walk to the center of town, where there are restaurants and shops. Construction of the house will begin in the fall of 2024. The house will consist of two floors. On the ground floor there is a kitchen, a dining room, a living room, a bedroom with its own bathroom and a guest toilet. Upstairs are three more bedrooms, each with its own bathroom. There will be a swimming pool in front of the house. The entire house will be air-conditioned and it is possible to install additional equipment according to the wishes of the customers and the agreement with the contractor. The house also has part of the agricultural land in the size of 400m², which means that the house will have a nice spacious garden. The house will be modern and compliant with all modern standards and equipment. A great opportunity to buy a house in a great location. ID CODE: 1005-223
