Description

Description:	This modern semi-detached villa is for sale near the town of Poreč. The villa has a total net living area of 110 m ² , which extends through the ground floor and first floor. The ground floor of the villa consists of an open space that includes the
--------------	---

living room, kitchen and dining room, creating a spacious common area. There is also a bathroom, a sauna, one bedroom and an exit to a spacious covered terrace. Further on, there will be a heated swimming pool on the garden area of 493 m². On the first floor of the villa there are two bedrooms, each with its own bathroom. There is also a storage room for additional storage and a terrace that offers a beautiful view of the surroundings. Heating in the villa is provided through underfloor heating that will use a heat pump, while air conditioners are used to cool the rooms and are installed in every room. It is a new building that is currently fully equipped and ready for the first rental season. The owner is a legal entity. More on request. *On the agreed selling price, the buyer pays an agency commission of 3% increased by the amount of VAT. ID CODE: 1880
