## Description

Description: **ISTRIA - OPRTALJ**, For sale is a renovated charming autochthonous Istrian house with a swimming pool and a view of Motovun and the greenery of central northern Istria. This truly unique house has been renovated in an authentic Istrian style, keeping all the traditional architectural elements (stone, wood) and combining them with traditional materials (oak wood for the wardrobes) and modern materials such as cast concrete, which is installed in almost the entire house. The result is a wonderful old-modern combination of a house situated on a unique location with an open view of Motovun and the greenery, in a village with only a few houses, which guarantees absolute privacy to the future owners. Although surrounded by nature and secluded, the house is situated only 5 minutes' drive from the heart of the Istrian truffle, the Motovun forest and the Mirna river valley, which are the epicenter of Istrian gastronomy - white and black Istrian truffles. Numerous taverns, restaurants, oil mills and nearby wineries in Motovun ensure a gastronomic experience all year round. The house with an area of 90 m<sup>2</sup> is situated on a spacious land plot of 1500 m<sup>2</sup>. On the first floor there are two bedrooms and two bathrooms, while on the ground floor there is a living room with a kitchen and a fireplace, and a small spa area with a sauna. The house is surrounded by a well-kept green garden where is a swimming pool (24 m<sup>2</sup>) with a sun deck, an outdoor dining area with a barbecue, and parking for 2 cars. The entire house has underfloor heating and air conditioning. The house has been successfully rented out to tourists, so it represents an excellent investment. A unique property in a truly unique position! For more information and a viewing appointment call +385/99/356-6777 or +385/99/320-0011 ID CODE: 14047
