Description

Description:	<p>ISTRIA, RABAC - Comfortable house near the sea On the southeast coast of Istria, where the green hills meet the sea, where nature and heritage come together, there are two towns of similar size but with different but mutually complementary characters - Labin and Rabac, just five kilometers apart. Rabac, due to its white pebble beaches, rich Mediterranean vegetation and crystal clear sea, has been called the pearl of Kvarner. Once a small fishing village, today Rabac is an attractive tourist destination that hides a wealth of cultural events in a network of colorful streets. The green surroundings of Rabac and the picturesque hinterland invite you to adventure, research and recreation throughout the year. In a gentle neighborhood on the edge of this picturesque place in the bay, a comfortable house</p>

near the sea is for sale. The surface of the house extends through the basement, ground floor, first floor and attic. The basement of the house is in the roh-bau phase. It consists of a storage room and two rooms, the purpose of which, depending on one's own preferences, is left to the future owner. The ground floor consists of a hallway, bathroom, one bedroom, kitchen, dining room and living room with access to a spacious terrace. The first floor contains four bedrooms, a bathroom and a terrace. There is a 29 m² garage next to the house. The yard is partially fenced and partially paved with natural stone. A maintained house, although in a very functional condition, requires certain investments to optimize its potential. An ideal opportunity for a peaceful family life as well as an investment for the purpose of tourist rental!
