Description

Description:

We have a unique opportunity to offer you a 2.0-bedroom apartment in an excellent location in Zvezdara. This part has long become interesting to buyers, both for buyers who are interested in buying an apartment that they would later rent out, as well as for those who are looking for an apartment in which to live. One of the reasons is certainly the excellent micro-location, proximity to parks (Sports Center Olimp, Mirijeovski Park), kindergarten school, shops, highway, hospital. Another plus of the microlocation is the excellent connection to all parts of the city, numerous bus lines. The building itself, located in a quiet street, is more of a family type with only 16 apartments available. The apartments are spread over 3 floors, the first, second and attic floors. The position of the building is such that it is on the side so that the apartments on the ground floor are at the height of the first floor. The apartment we offer you is located on the first floor of the building, and consists of two bedrooms, living room and kitchen, bathroom and spacious terrace. Behind the construction, there is a proven team of investors, whose work can be verified through completed projects. The deadline for the completion of the works is the beginning of the next year. The price is expressed without VAT. I am at your disposal for any information. Agency commission is 2%
