green peninsulas. Its 36 kilometers of coastline is the least urbanized coastal zone in Istria. Marčana and its fertile green fields, with gentle hills that descend to hidden rocky coves and secluded villages and towns are an undiscovered treasure of the eastern coast of Istria. In one of the settlements of the Municipality of Marčana, offering a perfect balance of rural surroundings and proximity to urban facilities, a comfortable house with a swimming pool and wellness is for sale. In addition to the microlocation, the property is characterized by the quality of the construction, which guarantees long-term satisfaction and quality of housing. The house of timeless architecture, partially covered with stone with rustic blue shutters, fits in shape and color with the village and the landscape. It was conceived as one residential unit that extends over two tastefully decorated and quality equipped floors that exude elegance. On the ground floor there is a kitchen, a dining room and a living room with access to a covered terrace that contains a summer kitchen, a bedroom with its own bathroom, a guest toilet and a technical room. The floor consists of three bedrooms, three bathrooms and two terraces. The fenced yard is full of greenery and Mediterranean plants, and the perfect harmony is rounded off by a 32 m² swimming pool with a sun deck and a 32 m² auxiliary facility in the function of wellness with a sauna, hot tub, shower and fitness equipment. The excellent location and spatial organization of the interior and exterior of this impeccable property provides an opportunity for a comfortable family life or an investment investment in a tourism rental business.
