Description

Description:	ISTRIA, FAŽANA - House 450m from the beach! Fažana is a municipality on the west coast of Istria overlooking the Brijuni Islands. Fažana used to be a quiet fishing village, but today it is one of the most visited municipalities in Istria, with a

rich gastronomic and entertainment offer. Beautiful beaches and kilometer-long promenades, enriched with natural beauty, Fažana offers a relaxing atmosphere. In this beautiful place, in a quiet location, there is a house for sale that extends over two floors. On the ground floor there is a hallway, a bathroom, a storage room, a kitchen with a dining room and a large open-concept living room that leads to a large covered terrace of 12 m². The kitchen leads out to the rear part of the yard where there is a barbecue. Internal stairs connect the ground floor and the first floor of the house, where there are four bedrooms and two bathrooms. Two rooms have access to a covered terrace (12m²) with a view of the sea. There are mosquito nets on all windows and doors. In the yard there is a garage and space for two more parking spaces. A 32m² (4x8m) swimming pool is currently under construction on the spacious garden, around which there will be a sunbathing area and landscaped garden. There is also the possibility of upgrading the facility. The owner allows the customer to choose the color of the facade. Considering the location and proximity to the sea and beautifully decorated beaches, the house can also be used as an investment for tourist purposes. Do not miss the opportunity, the property is worth your attention. Dear clients, the agency commission is charged in accordance with the General Business Conditions:
