About us: Dux nekretnine agency operates with the aim of raising the quality of real estate brokerage to a higher level of professionalism and mutual satisfaction of the parties with which it cooperates. How do we do that? We approach each client humanely and professionally in order to facilitate one of the biggest and most important decisions in life - buying real estate. Our offer includes a wide range of high quality and very attractive properties in the Kvarner, Istria, islands and wider surroundings in order to satisfy the refined tastes of our longtime customers. The buying and selling process takes place at the highest level of quality with our reliability and commitment to each individual client. Our job is not done until we see a smile on the faces of clients. And even then

because we like to stay in touch
even after the contract is signed
- because our mission is more
than just a job.

Description

Description:	ISTRIA, PEROJ - Duplex villas with panoramic sea view! 500 m from the beach,
--------------	--

INVESTMENT OPPORTUNITY! For sale we offer duplex villas that represent an ideal investment! Why? It is about two villas, each with its own individual entrance, which are located on the same plot and are being sold as such. The location of these super villas is one of the key reasons for the investment, because they are located 500 meters (as the crow flies) from the first beaches. They are surrounded by nature and holiday homes, in an isolated location. The villas offer a panoramic view of the sea already from the ground floor, and the terrace offers a beautiful view of the blue Adriatic Sea. Each villa has about 135 m² of living space, the outer ground floor part of the terrace has 75 m², while the upper terraces have 40 m² each. Each one extends over 2 floors, and consists of an open space living room with a kitchen, a guest toilet, two bedrooms on the ground floor with a bathroom, and on the first floor there is a storage room, and a master bedroom with its own bathroom and terrace. 4 air conditioners were installed in each villa, underfloor heating, aluminum joinery with mosquito nets. Each has a separate yard with a smaller pool that is used for refreshment, as the beach is a few minutes' walk away. Each villa has two parking spaces. These super investment villas were built in 2018, and upon completion of the works, they were immediately used for rental purposes, and the same resulted in the highest rating of 10 two years in a row by guests via the booking portal. They are also a great opportunity for a larger family that would like to have some privacy during their stay, so they can be accommodated in two houses. The seller is a legal entity. Ownership 1/1 No Encumbrances. Operating license Dear clients, the agency commission is charged in accordance with the General Terms and Conditions.
