Description

Description: Detached house, like from a fairy tale, with an area of 250 m², consisting of two residential units on the ground floor, an apartment of 80 m², consisting of a kitchen, three bedrooms and a bathroom, and a two-story apartment of 170 m², consisting of two bedrooms, a living room, a kitchen with dining room, bathroom and master bedroom with bathroom in the attic. The well-maintained garden full of fruit trees covers an area of 1500 m², with a garage of 50 m². The ground floor can be used as a commercial space. Ideal for living in a natural environment, and the distance from the center of Gospić is 4 km. It is located near the native village and the house of the famous inventor, electrical engineer and physicist Nikola Tesla, which today are part of the "Nikola Tesla" memorial center and museum, and is an ideal investment and for tourist purposes.
