Description

Description: Lopar - a beautiful place on the island of Rab, known for its Paradise beach, is the place where this completely adapted apartment is located. It consists of a spacious living room with a kitchen, dining room and living room with access to a covered terrace, three bedrooms, two of which have their own bathrooms, a bathroom and a hallway with an area of 102.6 m². According to the floor plan and the title deed, the following properties belong to him: three parking spaces, open and closed storage room and toilet. It is located in an attractive location near the beach and all facilities. Only 12 kilometers from the town of Rab is Lopar, also known as "sandy paradise" thanks to its many natural sandy beaches (which are quite rare on the Adriatic) and many romantic, secluded coves, as if they were created for enjoying a vacation. Surrounded by a group of smaller islands and islets (Goli Otok, Grgur, Lukovac and Školjić - to name just a few), Lopar has a lot to offer visitors. With a tourism tradition of over a hundred years, Lopar is also the winner of the Blue Sail award for the best small tourist resort in Kvarner. ID CODE: 10743
