The beauties of Rovinj often leave a deep mark, so the connection with it extends for generations. Rovinj is located on the western side of the Istrian peninsula, and extends north of the Lim Channel and south to Bale. It is adorned with a distinctly indented archipelago with as many as 14 islets and 6 cliffs. The most famous islands are Sveti Andrija (Red Island) and Sveta Katarina near the town center. Rovinj is the strongest tourist center in Croatia and for several years in a row has recorded a record 3 million overnight stays during the season. Guests are offered a very rich offer, and at the moment, in addition to accommodation, it has also become a culinary star destination (two Michelin-starred restaurants). Rovinj beaches are typical for this part of the northern Adriatic. You will most often find rocky capes and pebble coves that are rhythmically repeated along the 67 kilometers of the Rovinj coast. Zlatni rt Forest Park, located in the southern part of the city, will also enchant you. Walking, running, cycling and swimming in the hundred-year-old protected park are unique experiences to remember. The entrance to the park is located next to the Hotel Eden, Lone and Monte Mulini, or inside the city beach in the bay of Lone. ID CODE: IST-0019
