## Description

Description: Discover the charm of this family house nestled in the serene neighborhood of Pelinje, on the north side of Jelsa. Positioned to receive ample sunlight during the winter months and boasting stunning views of the mountains, this home offers a peaceful retreat. Upon arrival, you'll be greeted by a 100-year-old olive tree and a terrace connecting to the ground floor living room. The ground floor features three bed rooms, a kitchen, and three air conditioning units. Outside, the garden hosts a mandarin, lemon, and pomegranate tree alongside the olive tree. Ascending the stairs, you'll find a floor awaiting your vision, offering endless possibilities for customization. While still undergoing restoration, significant progress has been made, presenting an opportunity for a comfortable apartment with minimal investment. With a garage providing space for one car and a warehouse, along with two covered parking spaces adjacent to the garage, convenience is ensured. The ground floor and first floor each span 96 square meters, offering ample living space. Additionally, the house features a central heating system for year-round

comfort.
