Description

Description: In the vicinity of the city of Poreč, a beautiful stone villa is for sale located on a hill, surrounded by olive groves and vineyards. This luxury villa, built in 1921, was renovated in 2023 while preserving the original stone elements, which gives it a special charm and authenticity. It has 5 bedrooms and 5 bathrooms and is designed for 12 people. It has everything you could want for a carefree stay, and the many facilities it offers make it ideal for a vacation with family or friends. The villa covers an area of 428 m² and consists of two floors. On the ground floor there is a modernly decorated space consisting of a living room with a dining room and a fully equipped kitchen. The living room is equipped with comfortable seats and a TV, and there are 12 chairs at the dining table. Thanks to its spaciousness, numerous seating areas and relaxation areas, this space is ideal for socializing and

The villa has 5 bedrooms with double beds, each of which has its own bathroom. There is a gallery in 2 bedrooms, each of which has 1 more double bed, which will be ideal for children. Natural materials and many plants are incorporated into all bedrooms and bathrooms, and the neutral colors of the furniture make the space pleasant and relaxing.
