Description

Description: Discover the perfect location for your dream home on top of the picturesque village of Dol. This exceptional building land spans 1,003 square meters and offers breathtaking panoramic views that extend all the way to the harbor of Stari Grad and across the stunning Stari Grad Plain. This plot is well-connected with a road, ensuring easy access for construction and daily living. The serene and elevated position provides a unique blend of privacy and spectacular scenery, making it an ideal spot for a peaceful retreat or a luxurious residence. A standout feature of this property is the availability of a building project complete with a building permit. This means you can start construction without delay, saving time and effort in the planning process. Whether you envision a contemporary villa or a charming traditional home, this prime piece of land offers endless possibilities. Embrace the beauty of the Dalmatian landscape and create a home that captures the essence of island living.
