move-in period is in the middle of 2025. The building is located in an extremely attractive position, 150 m from the sea and the city center. The island of Pag is the fifth largest island in the Adriatic Sea by area, but with a coastline of 302.47 km, it is the most indented island in the Adriatic. The island is known for its sparse vegetation coverage in some of its parts, which is often compared to the surface of the moon. Dear clients, the agency commission is charged in accordance with the General Business Conditions:
