Description

Description:	<p>ISTRIA, ST. LOVREČ - Land with a valid building permit and paid utilities On a hill with a wonderful view of gentle fields, vineyards, olive groves and the sea in the distance, Sveti Lovreč is located. Sveti Lovreč is located in the middle of lush lavender fields in the western part of the Istrian peninsula, in the immediate hinterland of Vrsar, Poreč and Rovinj, and is one of the best-preserved medieval fortified towns in Istria. The small town's location on a gentle hill that dominates the area where as many as 22 settlements, villages and hamlets are scattered speaks of its significant role throughout history. Along the slightly indented western coast of Istria, there are several deep bays, of which the Lim Bay is partially part of the Municipality of Sveti Lovreč. The Lim Bay is a natural phenomenon of great scientific and aesthetic value; it was declared a special reserve in the sea. In the magical surroundings of St. Lovreč, we offer a building plot with a valid building permit and paid utilities. The land has 1,313 m², is flat and has a regular shape. Electricity is available on the field, while water is 80 meters away. The unique design project is designed as two interconnected objects that form a whole. The ground floor consists of a large bright living room, kitchen and dining room, all located within 56 m². There is also a small room (storage room) and a toilet. The</p>

living room leads to a covered terrace of 21 m². Downstairs, there is a bedroom with its own bathroom, a sauna that also has its own bathroom, and a room for equipment. The room and sauna have access to a beautiful garden with a swimming pool. We climb the internal stairs to the floor where there are two more bedrooms with their own bathrooms, one of which is the master bedroom with an area of 25.5 m². There is a 3x10 m² swimming pool in the garden. The land is surrounded by a wall and is located in a quiet street. The owner of the land is a legal entity, and the price applies to legal entities, while the VAT item is calculated for natural persons. This unique property is ideal for your new home. Opportunity!
