Description

Description:	<p>MALI LOŠINJ, CENTER - House for adaptation 90 meters from the sea! In the very center of the lively town of Mali Lošinj, on the island of the same name, there is this charming house for adaptation, only 90 meters from the sea. Located in narrow coastal streets, this multi-storey building for adaptation offers a handful of possibilities for decorating according to your wishes and enjoying the Mediterranean lifestyle. The house consists of a ground floor, first and second floors, and a high, usable attic. On the ground floor there is a spacious living area that includes an entrance hall, a kitchen with a dining area, a living room, a bathroom and a storage room. The ground floor leads to a terrace and garden, full of Mediterranean plants, ideal for relaxing and enjoying warm summer days. On the floors there are four bedrooms, an additional bathroom and a separate toilet, which provides enough space for the family or guests. The higher floors offer a wonderful view of the sea and city rooftops, creating a special atmosphere and adding value to this home. The total living area of the house is 250 m², while the yard with a garden occupies about 200 m². One of the most beautiful and charming</p>

parts of this house is certainly its garden. Located in a courtyard set back from the road, the garden provides an oasis of peace and privacy. Filled with Mediterranean plants and trees, the garden offers pleasant shade during hot summer days, creating the perfect place for relaxation, family gatherings or evening enjoyment under the starry sky. The garden is a real little paradise for nature lovers, bringing the breath of the Mediterranean into your everyday life. Mali Lošinj, the largest settlement on the island of Lošinj, is known for its rich maritime tradition, beautiful beaches and clear sea. The island offers numerous facilities for all generations, from historical sites, museums and galleries to modern cafes, restaurants and shops. The microclimate of Mali Lošinj, with more than 2,600 hours of sunshine per year, makes it an ideal place for living and vacationing throughout the year. It is particularly known for its healing climate and vegetation, which was recognized as early as the 19th century when Mali Lošinj became a popular health resort. The house is located very close to the sea and all amenities necessary for life, including cafes and restaurants, allowing you to enjoy all the benefits that Mali Lošinj offers. Whether you are looking for a permanent home or a cottage to escape from the hustle and bustle of the city, this house represents a unique opportunity to make your dreams come true on one of the most beautiful Adriatic islands. It is ideal for living all year round or as a summer residence for unforgettable vacations. Special recommendation for this property due to its exceptional charm, fantastic location and beautiful garden that provides peace and privacy. Given that the house is for adaptation, it offers great possibilities for adaptation according to your wishes and needs.
