Description

Description:	<p>ISTRIA, BARBAN - Building land for investment, open view Barban is a small picturesque medieval acropolis-type settlement in Istria, in the southeast of the Istrian peninsula, located above the Raša river valley: It is only 20 km from Pula and 12 km from Labin. It is well connected by the main roads: Pula-Rijeka highway, Barban - Žminj and Barban - Vodnjan regional roads. It is known for the knightly game of the Race to the Ring, which is traditionally held in August, the festival of figs and fig groves, and other smaller events that have developed over the last ten years, since rural tourism has been rapidly developing. A few minutes from Barban, on the very edge of the village, this interesting land is for sale. It is a spacious building plot of 3,619 m². The land is flat and has a regular shape and as such is perfect for subdivision and the creation of several smaller plots for several villas. Electricity and water are nearby. The land has an open view of nature. Very interesting property with potential!
