Description

Description:

Poreč, new building, two-room apartment on the first floor. Near the city of Poreč, this interesting two-room apartment on the first floor is for sale, out of a total of five apartments in a residential building. The apartment has a total of 68,66 m² including storage and consists of a living room, dining room, kitchen, two bedrooms and a bathroom. From the living room there is access to the terrace. The apartment also has a parking space in front of the building. The apartment is heated via air conditioning and underfloor heating in the bathroom, which has its own thermostat. Its specialty is that the building is built of high-quality building materials and is equipped with a complete communal infrastructure. Each residential unit is equipped with internal installations for connection to the telephone, terrestrial and satellite antenna, available in the living room and bedrooms. The building is located near the highway exit and is surrounded by typical Istrian houses. Shops, restaurants, school, kindergarten, nature are located near the place. The real estate is in the VAT system, and the amount is shown with VAT, so that the future owner does not pay additional tax on the transfer of the real estate. The apartment is sold turnkey system. Due to its location, this property is an ideal investment for both family life and tourist rental. ID CODE: 1031-972
