Description

Description: Istria, building plot in a beautiful village in the municipality of Mrgani In a charming village, in close proximity to the Limski canal, lies this building plot with a total area of 1657 m². The plot, triangular in shape, is situated on the edge

of the village, with infrastructure available right next to the terrain. Currently, the process of obtaining a building permit for the construction of three smaller houses in the Istrian style is underway. This plot, located on the edge of the village, is surrounded by a forest on one side and beautiful modern villas on the other. For all those seeking peace and tranquility, yet wanting to be close to other places just 10 minutes' drive away, this is an ideal opportunity. The special value of this land lies in the fact that it is one of the last remaining building plots in this zone. Therefore, don't wait! ID CODE: 1042-50
