Description

Description: ISTRIA, BUJE - Building land with a panoramic view The medieval town of Buje is located on the northwestern part of the Istrian peninsula, and is located on top of a hill with a wonderful view of the sea, surrounding hills, vineyards and olive groves for which this region is famous. Proximity to the sea, influence of the Mediterranean and mild continental climate, tradition in agricultural production, hunting and tourism, hilly landscape, preserved and unpolluted nature make the area of the town of Buje one of the more attractive areas of the Istrian peninsula. On a gentle hill not far from the old town center of the ancient town of Buje, there is a building plot for sale with a panoramic view. It is located on the edge of the street with a panoramic view of the gently green terraces of vineyards and olive groves, lush forest hills and fields of fragrant Mediterranean herbs. In addition to the breathtaking panorama and extraordinary location, it is characterized by a gentle slope of the terrain. Access to the land is from a macadam road, and all the necessary infrastructure is located near the land. In accordance with the urban development plan of the settlement, the land is located in the zone of residential use. The construction of a building with a maximum of 2 above-ground floors (Su + P + 1) with a maximum height of 7 meters to the crown of the roof is permitted. Due to its microlocation, configuration, proper ownership and documentation, this land offers an exceptional opportunity to build a family home or vacation home. The seller of the property in question is a legal entity. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions: <http://www.dux-nekretnine.hr/opci-uvjeti-poslovanja> ID CODE: 31588
