Description

Description:	ISTRIA, LANIŠĆE - Impressive ruins in an idyllic location Čićarija is a limestone ridge in the north of Istria. It is distinguished from the rest of Istria by its higher altitude and colder climate. Despite its vast expanses, Čićarija is a sparsely populated area that nowadays increasingly attracts tourists and hikers to the untouched nature. In the vicinity of the area of the same name, there is a magnificent view of the Buzet Valley and the surrounding settlements, as well as a famous climbing area for all adventurers and rock lovers. Čićarija abounds with many trails intended for hikers, walkers and cyclists. Far from overcrowded sea beaches, Čićarija offers a peaceful sleep, the freshness of the nearby slopes and forests, silence and truly a real vacation. For sale are imposing ruins in a small town on Čićarija, in the municipality of Lanišće. At an altitude of 600 meters, the

village is surrounded by hills, protected from the north winds and open to the south. The ruins have 290 m2. What is very special about this property are the stone vaults and the wonderful location. Water is in front of the house, and electricity is in the immediate vicinity. An ideal property for building a family home or holiday home. Dear clients, the agency commission is charged in accordance with the General Business Conditions
