Description

Description: Istria, Umag In the vicinity of Umag, in a quiet village, there is this land ideal for building a family house. This building plot with a total area of 522m² is located only 8 km from Umag. The land is flat, has a regular shape and is the last in that

part of the construction zone. The land already has an object marked on it. The possibility of construction is a family house that would consist of a ground floor + 2 floors. All infrastructure, such as electricity, water and sewage, is located next to the land. The land is surrounded by nature and quiet family houses, where you can truly realize a real family idyll. In just 10 minutes of easy driving, you can reach Umag and all the necessary facilities for life, such as shops, promenades, restaurants and the first beaches. ID CODE: 1026-112
