an open space with a kitchen, dining room and living room, from which a large glass wall leads to a large balcony of about 25 m² with a view of the sea. From the balcony, an external staircase leads to the roof terrace of about 55 m², where there is a pool of about 16 m² from which you can enjoy a beautiful view of the sea. The apartment has two parking spaces. The total net square footage of the apartment is 164 m². Heating and cooling is solved by a heat pump (floor heating) and air conditioners. The facility is built with top-quality materials, aluminum carpentry, multi-layered parquet and first-class sanitary facilities, first-class wooden interior doors. The planned completion of construction is the end of 2023. Today, we know Krk as a tourist destination of exceptional cultural and artistic heritage, where the ancient Splendidissima Civitas Curitarum (the splendid city of the people of Krk) lives in harmony with the bustling character of modern times. The ideal geographical position is an advantage that the island of Krk used to value very well as a tourist. We are talking about the proximity of the mainland to which twenty years ago a bridge was added connecting Krk to the mainland, thus making it even more accessible. Good traffic connections have made the island of Krk a favorite excursion destination, but also the other way around: the island can be used for meaningful one-day trips. For example, a trip to the Plitvice Lakes and North Velebit National Parks. True explorers will definitely want to get to know Rijeka - the center of the Primorsko Goranska County, and they will connect their stay in Rijeka with an unavoidable visit to Opatija - the tourist "pearl of the Adriatic". A one-day trip to Istria will be very interesting, where we recommend staying in its central part rather than on the coast! Finally, the island of Krk is connected by a ferry line to three islands: Rab, Cres, Lošinj, which can also become destinations for your day trips. Dear clients, the agency commission is charged in accordance with the General Business Conditions
