Description

Description:	<p>KRK ISLAND, surroundings of the city of Krk - Renovated apartment on the ground floor. It consists of one bedroom, living room, kitchen, dining room and bathroom. It has two entrances, and it has a terrace, one parking space and an external storage room of approx. 7 m². Heating is provided by an air conditioner. It is located on the ground floor of a renovated stone house, in the center of a small coastal town. Shop and restaurant are in the immediate vicinity. Today, we know Krk as a tourist destination of exceptional cultural and artistic heritage, where the ancient Splendidissima Civitas Curitarum (the splendid city of the people of Krk) lives in harmony with the bustling character of modern times. The ideal geographical position is an advantage that the island of Krk used to value very well as a tourist. We are talking about the proximity of the mainland to which twenty years ago a bridge was added connecting Krk to the mainland, thus making it even more accessible. Good traffic connections have made the island of Krk a favorite excursion destination, but also the other way around: the island can be used for meaningful one-day trips. For example, a trip to the Plitvice Lakes and North Velebit National Parks. True explorers will definitely want to get to know Rijeka - the center of the Primorsko Goranska County, and they will connect their stay in Rijeka with an unavoidable visit to Opatija - the tourist "pearl of the Adriatic". A one-day trip to Istria will be very interesting, where we recommend staying in its</p>

central part rather than on the coast! Finally, the island of Krk is connected by a ferry line to three islands: Rab, Cres, Lošinj, which can also become destinations for your day trips. Dear clients, the agency commission is charged in accordance with the General Business Conditions
