About us: Dux nekretnine agency operates with the aim of raising the quality of real estate brokerage to a higher level of professionalism and mutual satisfaction of the parties with which it cooperates. How do we do that? We approach each client humanely and professionally in order to facilitate one of the biggest and most important decisions in life - buying real estate. Our offer includes a wide range of high quality and very attractive properties in the Kvarner, Istria, islands and wider surroundings in order to satisfy the refined tastes of our longtime customers. The buying and selling process takes place at the highest level of quality with our reliability and commitment to each individual client. Our job is not done until we see a smile on the faces of clients. And even then because we like to stay in touch

even after the contract is signed
- because our mission is more
than just a job.

Description

Description:

ISTRA, UMAG - Superb 1 bedroom + bathroom on the ground floor - Luxury new building We proudly present to you an exclusive one bedroom apartment on the ground floor in one of the most prestigious new buildings in Umag. This spacious apartment with a total area of 54 m² is located on the ground floor of this imposing residential building. The apartment offers elegance and comfort, it consists of a spacious living room with a modern kitchen, a luxurious bedroom, an elegant bathroom and a terrace of 7 square meters. The apartment also comes with a storage area of 2.60 m², one outdoor parking space, making your daily life extremely practical. This apartment building was built with a professional approach and attention to detail. The building is designed from reinforced concrete monolithic construction with mezzanine panels for additional safety and stability. Inside the apartments, partition walls are made with double-thick plasterboard coverings, providing excellent thermal and sound insulation. The facade cladding is in the ETICS system with thermal insulation 10 cm thick, ensuring energy efficiency. New generation high-quality PVC carpentry with electric blinds provides additional comfort and safety. Each apartment is equipped with a top multisplit heating and cooling system, ensuring perfect temperature and economy. The apartments have their own meters for water and electricity, and sanitary water is heated using an electric boiler. In addition, each apartment has a telephone, antenna, TV and Internet connection, with a built-in video intercom for greater security. The apartment is covered with high-quality parquet in the rooms and living room, while the corridors and hallways are equipped with elegant tiles. With the highest quality materials and equipment, this apartment not only provides extraordinary comfort for living, but is also ideal for renting for tourist purposes. The planned completion of construction is in the middle of 2025, which will allow you to quickly enjoy all the advantages of this luxury apartment. The location is perfect, just 700 meters from the sea and the center of Umag, which allows you to enjoy all the charms of this beautiful Mediterranean city.
