Description

Description: Opatija Center: Exceptional Apartment in an Old Villa! In the heart of Opatija, near beaches, markets, shops, restaurants, cafes, and all essential amenities for modern living, we are mediating the sale of a charming apartment located on the

1st floor of a well-preserved and beautiful old villa. The apartment spans 150 m² with a beautiful and functional layout. The kitchen (with balcony access) and dining area, along with a small pantry, form one unit, while the spacious living room dominates the apartment, located at the end of the hallway with access to a large terrace offering a sensational view of Opatija and Kvarner. The living room is extremely bright and sunny, acting like a glass garden due to the large glass walls connecting it to the spacious terrace (where we see great potential for installing a hot tub, summer kitchen, lounge area...) with a sensational view. Two large bedrooms (one with balcony access) and one small bedroom, along with two bathrooms (the larger one with underfloor heating), make up the rest of the apartment. The heating is central electric, and the apartment has its own parking space in front of the villa. This exceptional property boasts a prime micro-location in the very center of Opatija, stunning views of Kvarner from most parts of the apartment, large outdoor spaces including balconies and a terrace, and its own parking space. We highly recommend it to all lovers of beautiful Opatija. ID CODE: 801
