Description

Description:

Istria, Poreč, surroundings An autochthonous adapted detached stone house for sale, located in a quiet and beautiful place in the vicinity of the charming town of Poreč, and 9 km from the sea and well-kept beaches. The house has a floor plan of 42 m² and consists of two separate units. The southern area consists of a kitchen with a dining room, a bathroom, and a room, while the northern area consists of an additional, separate, stylishly decorated room (room) with an area of 11 m². In front of the house there is a stone-paved terrace of 42 m². The house is located on a plot with a total area of 300 m² An additional advantage of this house is certainly the building plot on its back side with a total area of 684 m² with its own access road, which is sold together with the house. The house was originally from 1882 and was renovated and stylishly decorated a few years ago. It has electricity and water connections and preparation for sewerage. The roof of the house has also been completely renovated. The house has a heating and cooling system in each room separately via a heat pump. The quiet and beautiful location surrounded by nature makes this property an ideal investment opportunity for anyone looking for a house that can be adapted for family life as well as a holiday home for tourist purposes. Ownership in order. The commission of the agency for the buyer is 3% + VAT and is paid in case of real estate purchase at the conclusion of the sales contract Dear clients, it is possible to view the property only with a signed brokerage agreement, which is the basis for further actions related to the sale and commission, all in accordance with the Act on Brokerage in Real Estate Transactions.
