Description

Description:	<p>MALINSKA, KRK ISLAND - One-room apartment with garden This one-room apartment with a nice garden is located in Malinska. It is located in the basement of the building and has 37 m². The apartment consists of a bathroom, bedroom, kitchen, dining room and living room. There is a beautiful wooden gazebo in the garden of about 80 m², which you can enjoy in all weather conditions. The apartment has one parking space. Malinska and its entire area is called Dubašnica and is located in the western part of the island of Krk. Until the 15th century, Dubašnica was almost devoid of permanent inhabitants, as was the area south of it, almost to the town of Krk. The name of the region comes from oak or oak, because there are rich forests and pastures with some arable land. Dubašnica was mainly an area of Omišalj, already before the 12th century, but part of it was also held by the Krk people. Malinska, from a port for the export of wood, has become a climatic health resort thanks to its mild climate with about 260 sunny days a year. Today, it is one of the island's strongest tourist destinations, known for its numerous beaches and developed hotel industry, as well as family tourism. Not far from Malinska is Porat, a quiet place where the population once lived from fishing, but today tourism has taken over the leading role. The name of the place comes from the Italian word porto, which means port. The beaches in Malinska and on the island</p>

of Krka are known as some of the best in Croatia. One of the advantages of the indented and wide coastline in Malinska is that the beaches, wherever you go, are never far away. The diverse coast of the island offers a wide range of beaches: from rocky, sandy and pebble beaches to hidden coves. Beaches for children, for the disabled, non-swimmers or the elderly, beaches for dogs, beaches for those looking for natural shade and proximity to parking spaces, lovers of sports activities and beach bars, but also an unofficial nudist beach - all this is offered by Malinska.
