### Description

Description:	<p>ISTRIA, MARČANA - Land with a valid permit for an apartment building</p> <p>Marčana is a municipality in the southeast of the Istrian peninsula. It is located about 12 km northeast of Pula, the largest city in Istria. It is known as a destination for the sea, holidays, wine and olive oil. It is a culturally rich settlement with crystal clear sea and an almost unreal landscape, consisting of gorgeous bays and green peninsulas. Its 36 kilometers of coastline is the least urbanized coastal zone in Istria. Marčana and its fertile green fields, with gentle hills that descend to hidden rocky coves and secluded villages and towns, are the undiscovered treasures of the eastern coast of Istria. This building plot of 647 m<sup>2</sup> is located not far from Marčana. The land has a valid building permit for a multi-storey building with a swimming pool. According to the permit, the house consists of a living room, kitchen and dining room, pantry, toilet, internal stairs leading to the first floor, 3 bedrooms with their own bathrooms and a loggia. A swimming pool and parking for two cars are provided as part of the garden. The land is rectangular in shape, flat and has access from an asphalted road. The land is an ideal opportunity for building a family home or as an investment in a tourist rental. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions: <a href="http://www.dux-nekretnine.hr/opci-uvjeti-poslovanja">www.dux-nekretnine.hr/opci-uvjeti-poslovanja</a> ID CODE: 32100</p>
