Description

Description: Istria, Novigrad An attractive building plot with potential is for sale in Novigrad. The area of the building land is 1858 m². The land has a nice regular shape and all the necessary infrastructure is located right next to the land itself. The purpose of

the land is residential and it is possible to plan two houses with two separate residential units on it. The land is easily accessible only 3 km from the center of Novigrad. The highway is only a few minutes' drive away. Considering the very interesting and frequent location and the proximity of all the facilities necessary for a pleasant life, this plot of land can be an opportunity for the construction of a family home as well as for the construction of a tourist property, thereby ensuring the return of the investment.
