Description

Description:	<p>DRNIŠ ATTRACTIVE BUILDING LAND Drniš, only 30 kilometers from Šibenik, is known as the town of prosciutto and is becoming an increasingly popular destination for those looking for peace and solitude, but who want to be close to the sea. This charming place offers ideal living conditions, and its popularity among tourists is growing day by day. We offer you a building plot located only 30 meters from the future Drniška bypass, the construction of which will begin soon. This land is a real investment opportunity, whether you plan to build several residential units, a luxury villa or start a tourism business. The plot covers an area of 3500 m² and has a regular shape, which offers many possibilities for development. It is located next to an asphalted road, which allows easy access and connection with the rest of the city. This location offers peace and privacy, ideal for family life or tourist purposes, while at the same time it is close to all the necessary facilities and only a short drive away from the beautiful beaches on the coast. Take advantage of this unique opportunity to invest in the heart of Dalmatia, in a place that combines tradition, natural beauty and future development potential. Don't miss this great opportunity.
