Description

Description:	<p>ISTRIA, BARBAN - Two building plots located in a quiet location, next to each other, on which a request for a building permit has been submitted for the purpose of building two free-standing modern and luxurious villas. We are proud to present this excellent opportunity for all those who are looking for land to build a family home or real estate with which they want to ensure a return on their investment in the form of tourism or later resale. These are two high-quality pieces of construction land, which consist of a total of 1510m², i.e. one plot consists of 747m², while the other is up to 763m². Both plots are rectangular in shape, which ensures maximum utilization. The owners of the land submitted a request for the construction of detached modern and highly luxurious villas, which would consist of an approximate 280m² NET area, and which are divided into two floors, ground floor and first floor. The ground floor of the villa is planned to consist of an "open space" concept living room, which includes a living room, kitchen and dining room. Then, the first bedroom with its own bathroom and a guest toilet, as well as an entrance hall with a wardrobe area, would be located on the ground floor. An internal staircase leads to the first floor of the villa, where there are 3 additional bedrooms, one of which is the master bedroom. Each bedroom on this floor would have its own bathroom, as well as access to a partially covered terrace with a</p>

wonderful view of the hilly landscape. Of course, each of the villas includes its own swimming pool in the garden, measuring 4.30m X 11.25m, with a larger covered terrace where seating and entertainment space are planned. Dimensions of the smaller plot of 747m²: * Width: 26.80m * Length: 29.29m Dimensions of the larger plot of 763m²: * Width: 24.21m * Length: 37.61m ADDITIONAL INFORMATION: * Ownership of both plots is in order, 1/1 owner, no encumbrance. * Possibility of building vacation villas or family houses. * Mandatory distance between buildings and the border of plots is 4m. * Buildability 30% on each plot. * Obligation of a pitched roof. * There is a possibility of buying an additional 3 pieces of land. For any additional questions, necessary information or wish to organize an appointment for viewing the land, inspecting the documentation and viewing the location, feel free to contact us!
