Description

Description:	<p>ISTRIA, BARBAN - Building plot located in a quiet location, on which a building permit application has been submitted for the construction of a detached modern and luxurious villa. We proudly present this excellent opportunity for all those who are looking for land in order to build a family home or real estate with which they want to ensure a return on their investment in the form of tourism or later resale. It is a high-quality building plot, which consists of a total of 747m². It is rectangular in shape, and therefore maximally usable. The owners of the land have currently submitted an application for the construction of a detached modern and highly luxurious villa, which consists of approximately 280m² NET area, and which is divided into two floors, ground floor and first floor. The ground floor of the villa is planned to consist of an "open space" living area with a living room, kitchen and dining room. Then, the first bedroom with its own bathroom and a guest toilet, as well as an entrance hall with a wardrobe area, would be located on the ground floor. An internal staircase leads to the first floor of the villa, where there are 3 additional bedrooms, one of which is the master bedroom. Each bedroom would have its own bathroom, as well as access to a partially covered terrace with a wonderful view of the hilly landscape. Of course, the villa also includes a swimming pool measuring 4.30m x 11.25m, with a larger covered</p>
