About us:	Dux nekretnine agency operates with the aim of raising the quality of real estate brokerage to a higher level of professionalism and mutual satisfaction of the parties with which it cooperates. How do we do that? We approach each client humanely and professionally in order to facilitate one of the biggest and most important decisions in life - buying real estate. Our offer includes a wide range of high quality and very attractive properties in the Kvarner, Istria, islands and wider surroundings in order to satisfy the refined tastes of our longtime customers. The buying and selling process takes place at the highest level of quality with our reliability and commitment to each individual client. Our job is not done until we see a smile on the faces of clients. And even then

because we like to stay in touch
even after the contract is signed
- because our mission is more
than just a job.

Description

Description:	ZADAR, PRIVLAKA - New construction! Superb penthouse only 140 meters from the beach with an irresistible sea view! S3 Penthouse for sale in a new building in Privlaka, only 140 meters from the beach. This apartment offers peace, quiet and privacy, perfect for relaxation and enjoyment. The living area is 92.15 m ² , and it additionally stands out with a spacious roof terrace of 83 m ² with a view of the sea. The terrace is equipped with jacuzzi connections, a built-in grill and an outdoor sink with hot and cold water. Two parking spaces are included in the price. The penthouse has two bedrooms, a spacious living room and a modern bathroom. The building was built with high insulation standards, with 10 cm
--------------	--

Styrofoam. The entrance door of the building is aluminum, anthracite color, with an electric lock and a video intercom. The entrance and staircase are paved with first-class ceramic tiles, along with an INOX fence. Corridors and staircases are equipped with fire-fighting equipment for the safety of tenants. The entrance doors to the apartments are anti-burglary and fireproof. The penthouse is equipped with modern technologies with internet and satellite connections in the living room and bedrooms. The floors in the kitchen, living room and terrace are covered with first-class ceramic tiles, while the bedrooms have SPC floor coverings. The PVC carpentry is anthracite on the outside and white on the inside, with three-chamber glass and electric shutters on all windows and sliding walls, with built-in mosquito nets. The rooms are heated and cooled by a Vaillant air conditioner, while the bathrooms are equipped with electric underfloor heating. Bathrooms are equipped with modern furniture, double sinks, hanging toilet bowls, built-in cistern and walk-in glass wall. LED lighting has been installed in all rooms, and the balconies have combined brick and glass railings. Apartments are sold unfurnished, with fully equipped bathrooms. Completion of construction works is scheduled for June 1, 2024, followed by a technical inspection and floor plan of the building. This property represents an ideal opportunity for anyone looking for a modern and quality home near the sea. Feel free to contact us for additional information or to arrange a viewing of this beautiful penthouse. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions.
