#### Description

Description: Kršan, surroundings, we are selling a building plot in a quiet location surrounded by forest and greenery. The building plot has a total area of 2669 m<sup>2</sup>, regular shape and flat surface. It is located in the built-up construction part of the

settlement and has access from an asphalted local road. All necessary electricity and water infrastructure is located in the immediate vicinity. Considering the size of the land, it is possible to subdivide it into several smaller plots. An ideal property for the construction of several buildings with accompanying facilities in a beautiful location surrounded by nature. ID CODE: 2003-771
