Description

Description:	<p>ISTRIA, RAKALJ - Agricultural green in a prime location GENERAL INFORMATION: It is an interesting and currently agricultural plot of 7044m2 which is located within the construction zone. Given that the plot is located within the construction zone, it represents an ideal opportunity for its future owners. With the submission of the request for urbanization, the possibility of building a perfect family home or an ideal holiday villa in one of the most famous locations in the Republic of Croatia, the magical Rakijska, arises. ADDITIONAL INFORMATION: What makes this opportunity even more interesting in addition to the location and proximity to the beach, the correct and maximally usable shape, the access road, the sea view, and the many opportunities it provides, is the proximity of all the necessary infrastructure (water, electricity and telephone) which located just a few meters from the plot. LOCATION: It is a prime location where the first beaches are only a few minutes away. The city center is only a 5-minute walk away, schools, shops, restaurants and cafes are close to the plot. For any additional questions, necessary information or organization of viewing appointments, feel free to contact us with confidence. Dear clients, the agency commission is charged in accordance with the General Business Conditions www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 32303</p>
