Description

Description:	<p>ISTRIA, NOVIGRAD - Apartment with terrace and sea view Novigrad, once a peaceful fishing village, has become over the years an attractive destination for tourists from all over Europe and even the world, many of whom return regularly. Becoming one of the most desirable places for tourist stay and vacation, Novigrad has preserved its irresistible charm of a quiet fishing town, that recognizable, almost intimate atmosphere, so characteristic of small Mediterranean towns. The Novigrad riviera on the west coast of Istria stretches from Dajla to the mouth of the Mirna river, and is adorned with an indented, low and accessible coast of rocky and pebble beaches. Not far from the center of Novigrad, there is an apartment for sale on the first floor of a residential building with a total area of 38 m². The apartment consists of an open space concept living room, a bedroom and a bathroom. It has a terrace with a view of the sea and its own parking space. An excellent location near the center with easy access to amenities makes this property</p>
