school, kindergarten, shopping center, gas station... The apartment has 2 outdoor parking spaces places. Clean and tidy property. Certainly a nice property for family life, but also suitable as an investment in elite tourism. REAL ESTATE AT A GREAT PRICE!!! KASTAV The town of Kastav with the Kastav region is synonymous with rich history, geographical diversity, interesting architecture and a unique tourist offer! Located "over the sea, canoe soko", as the poet says, similar to all coastal towns, yet different; with a soul in a stone nest, wide enough for all who are ready to experience it in its entirety. Like many cities at the meeting point of Central Europe and the Mediterranean, Kastav has a rich tradition and a recognizable identity. During its history, Kastav was the administrative, economic and cultural center of Istria and the Primorje; it was and remains a nursery of the people's consciousness, so even when cities much larger than it today began to develop in the surrounding area, it managed to preserve its autonomy, language and customs.
