Description

Description: ISTRIA, KANFANAR - Nice Istrian house + 490 m2 of building land! We are mediating the sale of a nice Istrian house in a quiet location with 490 m2 of

construction land opposite the house. This Istrian house extends over two floors and offers a space of 110 m². In the entrance part there is a terrace of approx. 20 m² through which the house is accessed. Upon entering the house, we find the kitchen, then the living room and the bathroom. Stairs lead to the first floor, where there is a small hallway, two bedrooms and a bathroom. HEATING AND COOLING: - air conditioners - underfloor heating - wood stove The house was last renovated 5 years ago and is being sold furnished. Considering the Istrian stone, which has a thickness of up to 60 cm, staying in the house during the hot weather is very pleasant. The house is the last in the row. Across the street from the house there is a construction plot on which there is already water, and it is currently used as an orchard, a container for things and a parking lot. The land offers the construction of an additional building or swimming pool, where there would be enough space for parking, as well as the swimming pool and the facilities that come with it. LOCATION: Quiet and secluded location surrounded by Istrian houses that contribute to the authentic environment. At a 5-minute drive, there is a store, post office, cafe and other facilities that are needed in everyday life. The sea is about 12 km away. Neat ownership! A property that offers various possibilities in an attractive location! Dear clients, the agency commission is charged in accordance with the General Business Conditions
